Workshop for conductors

led by

Moira Usher

Saturday, 29 September 2018

St Stephen's Church Hall, Watling Street, St Albans AL1 2PT

Welcome and coffee from 10.00 to 10.30

Tuition and playing from 10.30 to 16.30

with breaks for lunch and afternoon tea and cake

St Stephen's church and hall are in the south of St Albans. There is a large car park behind the church with access from Watling Street.

You will need to bring your own lunch, your recorder(s) and music stand.

The Workshop is primarily for those recorder players who wish to conduct and have not conducted previously. They must be fairly confident on both C and F instruments and able to read from both treble and bass clefs. Priority will be given to members of the SRP. The conductors will need players to conduct, and we encourage additional players for the ensembles. They should enjoy a day's playing and learn what is expected of them by conductors.

Moira Usher is a popular teacher, conductor and pastoral visitor. She is a founder of the Eastern Recorder Orchestra (EROS), which she conducts, and co-founder and conductor of the Suffolk branch of the Society of Recorder Players. She is also tutor at the Recorder Summer School and the Summer Recorder Festival.

To reserve a place please complete the form overleaf and send it with your cheque to the treasurer, Trevor Boyd, 1 Stephenson Close, Royston, Herts SG8 5TT.
